

# **REFUNDING MENTORSHIP**

**By Tigeh**

# Apple:

## #1 METHOD (instant refunds / replacements)

- 1) Contact them by scrolling down and clicking "chat now"
- 2) Tell them EB (empty box) or even DNA (did not arrived). Always say the order was a gift and play with that story hard.
- 3) They usually offer replacements
- 4) Force them for replacements, ask really upset on the call, doing that will guarantee replacements
- 5) After you get the replacements, you can cancel them for instant refund (not fully recommended since sometimes that will be a red flag) or you can wait for the replacement and return it in store for refund, up to you.

## #2 METHOD (2-3 days refund)

- 1) Start a return
- 2) Get the label
- 3) Do FTID v6 (LIT - Lost In Transit)
- 4) Contact them after 2-3 days since the shipment is marked as lost in transit
- 5) They will check the tracking link and issue instant refund after they see LIT

## Easy dips:

- 1) Contact them by scrolling down and clicking "chat now"
- 2) Tell them EB (empty box) or even DNA (did not arrived), DNA works better nowadays. Always say the order was a gift and play with that story hard.
- 3) They usually offer replacements
- 4) Force them for replacements, ask really upset on the call, doing that will guarantee replacements
- 5) After you get replacements, do the refund method
- 5) Start return
- 6) Get label
- 7) LIT (Lost In Transit)
- 8) Contact them 2-3 days after
- 9) Double dipped
