I know you were scout ing out locatons, so i know you might want to use our island.

We are very lucky to have such decent intenrnt on our little vacation cntner, and considinerig that you already take care of the finished business, we want to take care of Your ongoing business.

Heyuri is very interseting for me, so do consider packign.

CF is total shit, and heyuri deserves better.

take the server s to Marmara Tmr an d we will handl e the rest. waha alredy moved cgi, You can too.

we can reduce money spent on trasnport if you move the LOLi grinders hrer too - it is a win win, and less people will be involved, Kuz can relax if that happens , i know he's busy

hachi work s hard here as well, Eveyone here is very happy. I even managed to get hiroin to warm up to the red guy, you and K are only ones away from here. Teh wikifag is here too. Yaku is hard at work, Hawa is fapping to traps - it's all grand faggotry.

Araragi and Normie, Tessa and the pills. Nyanko, Tootie Fruitti, reveryone is here, prinnster, pen man, we're all in paradisio my friend

You know you like the dead ones anyway, and there are plenty more that wait to be sent while You grind away.

EPiKfail might be old history but w e cannot let it happen again. Your choice is vital to protect Heyuri.

Can't wait to see you.

J

P.S. Tachi is sweating away at the grindur. Don'tworry abouthim , no malaria in our island .
