It's not like every westerner has a bunch of plushies lying around. All the decorations in my room solely consists of stuff my parents had lying around. Pic related.

[>>94845](#)

Your friend is telling you nothing but lies. I am a very

good person, if we lived together I would:
 kiss you goodnight every night;
 pet you;
 compliment you a lot;
 cook for you (idk how to cook, but I would learn);
 help you with homework;
 help you study for tests;
 help you dress;
 help you bathe;
 I would even help you masturbate if you wanted.
 As you can see, I would be an amazing room-mate.

You are correct, raping a defenceless loli is not allowed, but raping a loli with who has defences might be.

And yet... she called me sweet just a bit ago, what a dilemma.

To rape or not to rape, that is the question.
